

THE ADVANTAGE OF UNIBEAD

- Reduce your Above Ground Liner inventory by 50% using the Unibead system.
- Keep decorative tile graphics straight & uniform.
- No need to disassemble pool when using with bead receiver.
- EASY steps for j-hook removal.

STEP 1:

Locate where seams meet on liner.

STEP 2:

Using a utility knife cut along seam between standard bead & j-bead.

STEP 3:

Pull the cut seams to remove the j-hook.

STEP 4:

Completely remove the j-hook.
EST. REMOVAL TIME: 3 MINUTES.
