

CAL[®] Color AquaLuminator[®]

Color-Changing Light for Aboveground Pools
By Pentair Water Pool and Spa[™]

Finally, dramatic, multiple color lighting effects for aboveground pools

Create magical underwater color lighting for your aboveground pool with the Color AquaLuminator[®] (CAL[®]) light. Flip the control switch and bathe your pool in either a single vibrant color or roll through various colors of the spectrum at any one of four speed settings. Or switch to the popular and exotic effect of a blue-to-green transition. The result is a dramatic transformation of your nighttime pool environment that equals any top-flight resort.

- Five switch settings create a variety of distinctive effects...tailor lighting to every occasion or mood.
- Exclusive LED technology and patented Hydro-Optics deliver vibrant, rich colors.
- Installs in minutes to the existing water return hole in your pool: no holes to cut as with others...so your warranty coverage remains intact.
- Plug-in power supply cord makes installation simple...no need for an electrician.

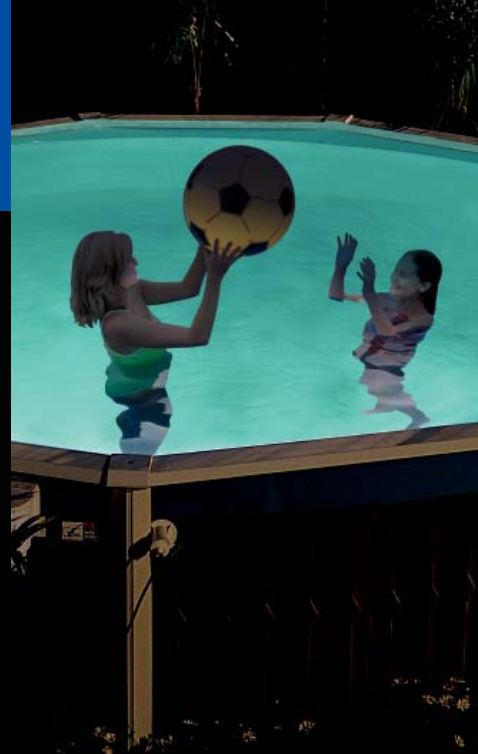

CAL[®] Color AquaLuminator[®] Color-Changing Light for Aboveground Pools

Light and return fitting combination provides improved water circulation and dazzling color illumination in a single fixture

Truly "plug-n-play", CAL installs in just minutes at the end of return line

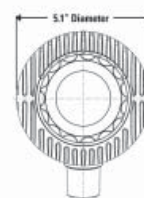

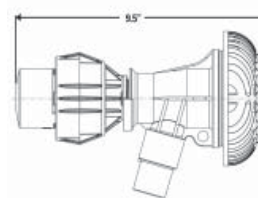

Energy-efficient LED technology is low maintenance and lasts longer for year after year of beautiful color-changing effects

Enhanced water flow for better cleaning performance while you enjoy your private light show

CAL[®] is a creative lighting system and water return fitting in one. And its custom-designed flow director enhances water flow to improve circulation. Better circulation leads to better filter performance for a cleaner pool. So not only do you create a superior nighttime atmosphere, you automatically improve water clarity as well.

- Standard 25-foot plug-in power supply cord.
- Optional pressure cleaner adapter.
- Optional fountain attachment creates a water spray that enhances color effects.
- Fits most aboveground pools...new or existing.
- UL listed.
- One-year limited warranty. See warranty for details.

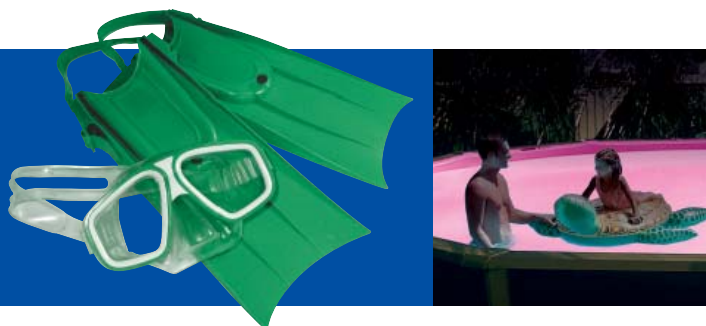

Optional pressure cleaner adapter

Optional fountain attachment
