2. Base Plate
3. Screw
4. Top Plate
5. Slotted tube for liner
6. Screw
7. Top Rail
8. Screw
9. Top Cap

Pretium above ground pools come with **6"** Steel top rails and **5-1/4"** vertical uprights. The top rails, uprights and wall are coated galvanized steel, which means strength and longevity of the above ground pool. It's important to note the location of the skimmer and the return in the above ground pool diagram above. It is possible to position the above ground pool wall openings in an area more convenient for your installation. Wholesale discount pools direct to you from the manufacturer.
