

PRORATED LIMITED WARRANTY

The use of any type of **Chlorine Salt Generating System** on your pool will render your warranty coverage null and void. The use of such systems causes premature rusting and corrosion of all the metal parts that are not a manufacturing defect. We will assume no cost, related to the use of such systems.

WALL AND FRAME COMPONENTS

TERMS & CONDITIONS

- Manufacturer is the warrantor of this product.
- This warranty is extended to the original purchaser (consumer) only.
- This limited warranty covers the pool wall and frame components only. The liner is warranted under a separate limited warranty contained in the liner carton.
- This warranty prorates the wall and frame component costs over a thirty (30) year period. If any defect in material or workmanship is confirmed by the dealer and/or Manufacturer during the first eight years from date of purchase and if reported to the dealer and/or Manufacturer, the part or parts will be provided or repaired free of charge. If a determination of defect cannot be made by the dealer the purchaser must (after prior authorization from Manufacturer's Customer Service Department) at his expense, clean, package, and send the part or parts to Manufacturer. If, at the sole discretion of Manufacturer, there is a manufacturing defect, the part(s) will be provided or repaired at Manufacturer's option, and the applicable freight will be reimbursed in the first year only.
- The method of proration on this warranty is to repair or provide free of charge any part(s) found defective in the first eight years from date of purchase. For the next twenty-two (22) years part(s) found to have manufacturing defects will be provided at a prorated cost equal to the following percentages of the then existing manufacturer's suggested retail parts prices.

The percentages below are paid by the consumer and apply at the beginning of the year of purchase:

Years 1-8	0%
Year 9	65%
Years 10-20	70%
Years 21-30	75%
