new!

Kreepy Krauly® Kruiser™ Inground Pool Cleaner

Kreepy Krauly® Kruiser™ features include:

- Silent flapper design creates kinetic energy to power the Kruiser around the pool.
- Powerful vacuum action and extra-wide mouth capture large and small debris for spotless cleaning.
- Superior design and built-in bumper help Kruiser maneuver around obstacles for uninterrupted performance and total cleaning coverage.
- Simple design for long, dependable life - silent flapper is the only moving part - no bags or compartments to empty, wheels or gears to jam or diaphragms to replace.
- No booster pump required.
- Adjustable regulator valve and free flow gauge let pool owners set just the right speed for the most effective cleaning possible.
- Installs in minutes - no tools required.

Put your pool cleaning on "Kruise" control

- The all-new sleek design of the Kreepy Krauly® Kruiser™ pool cleaner now delivers even greater cleaning power. We've added performance features to make Kruiser effortless in its pursuit of dirt and debris, with maximum pool cleaning coverage—all while keeping it affordable and seasonally dependable.
- The new Kruiser features a silent flapper design. This side operational moving part creates the kinetic energy that powers Kruiser around your pool. Durable, simple and highly reliable, the dependable design has been proven in more than 3 million pools worldwide. Other features include:
- Built-in bumper design delivers greater cleaning power for maximum pool coverage.
 - Powerful vacuum action and extra-wide mouth capture large and small debris for spotless cleaning.
 - Superior seal design and built-in bumper help Kruiser maneuver around obstacles for uninterrupted performance and total cleaning coverage.
 - Simple new design for long dependable life—silent flapper is the only moving part—no bags or compartments to empty, wheels or gears to jam or diaphragms to replace.
 - No expensive booster pump to buy or operate—saving you money and energy.
 - Adjustable regulator valve and FREE flow gauge let you set just the right speed for the most effective cleaning possible.
 - Installs in minutes—no tools required.
- "Sleekly designed curved flapper" still has advantages as new flapper keeps performing—unobstructed for without interruption.
- The Best of choice to have fun. **KREEPY KRAULY** is a leading pool care and maintenance brand.
