ABOVE GROUND POOLS

Serenity

Designer wall with champagne & chocolate frame

Top ledge and uprights

- 7" steel top ledge
- Steel uprights
- Sturdy steel frame

Braceless oval system

- An exclusive buttress-free system.
- Maximizes yard space by eliminating unsightly struts.
- Oval pools only.

The Braceless Oval System is an oval system that does not require angle side supports, which take up extra yard space. This unique system delivers unsurpassed structural strength without visible supports. This attractive streamlined appearance takes up less valuable yard space.

All-Weather Protection

The Serenity's steel structure is entirely protected by a variety of finishes. These optimize its resistance to corrosion while preventing condensation between the liner and the wall - ensuring a long, solid life for your pool.

NO DIVING. NO JUMPING. ABOVE GROUND POOLS ARE DESIGNED FOR SWIMMING ONLY. MAINTAIN CONSTANT VIGILANCE WHEN CHILDREN ARE IN OR AROUND THE POOL.

Your above ground pool is designed for years of pleasurable, safe family fun, but it also involves water safety. When used incorrectly, your swimming pool can be dangerous as these pools contain shallow water making diving or jumping unsafe. To insure your above ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an above ground pool and conform to all local regulations. The dimensions, weights, illustrations and other specifications may not be exact as shown and are approximate. The company reserves the right to modify and/or discontinue without notification any feature in any pool model. ©Copyright 2015
