MADE IN CHINA
Model Number: 001

CAUTION: To prevent possible fire or electrical shock, use only the replacement lamp specified for this unit by the manufacturer.

CAUTION: This unit contains an ultraviolet lamp that can cause discomfort or irritation to the eyes if viewed while operating. Therefore, UV exposure to the eyes can occur when the lamp is lit. **DO NOT VIEW UV BULB WHILE OPERATING OR DURING MAINTENANCE.**

Contact your Dealer for the proper original equipment UV lamp. Operate with any other lamp installed will void the limited warranty. Close the cover lid when re-lamping.

WARNING: This product is not adjustable.

CAUTION: To prevent risk of electric shock, connect only to a properly grounded, grounded-type receptacle. This product shall only be connected to a power supply receptacle protected by a Ground Fault Circuit Interrupter.

This unit must be installed after the filter and before any heater or chemical injection point. Installation in a non-water environment will void the Limited Warranty.

Do not exceed the flow rate specified for this unit. Consult the Owner Manual for maximum design flow rates.

This unit is suitable for indoor or outdoor use.

ENVIRONMENTAL NOTICE: - My Lamp CONTAINS MERCURY. Recycle in accord with local disposal laws. See: www.waste.org

ULTIMATE UV WATER SANITIZER

FROM THE WORLD'S #1
IN-FLOOR CLEANING SYSTEMS
COMPANY

PARAMOUNT'S ECO-FRIENDLY ULTRAVIOLET WATER SANITIZER

Paramount's Ultra UV Water Sanitizer provides an additional layer of protection beyond the capability of chlorine or salt based chlorine generators. As water circulates through the Ultra UV chamber the UV light immediately inactivates 99.9% of micro-organisms and algae which are resistant to chlorine. This provides a cleaner, clearer swimming environment with zero harmful by-products and dramatically reduces the amount of chlorine needed to maintain an adequate level of residual sanitizer.

DESIGNED & ENGINEERED FOR CLEANER, HEALTHIER POOL WATER

- The multi-directional and quick release piping connections make it easy to install in new and existing pools.
- The 360° direct view lamp ON indicating ring lets you know the unit is on and if you need to replace a burned out UV-C lamp.
- The Ultra UV is automatically activated by the flow of water through a pressure switch

ULTRA UV FEATURES:

- Compact size 13" x 13" x 32"
- Available in either 120V or 230V with models to accommodate your pool water flow rate
- 100% corrosion resistant housing
- 13,000 operating hours effective lifespan UV-C lamps
- State of the art electronic ballast(s)
- Does not diminish the pool's circulation
- For indoor and outdoor use
- 2 year limited warranty
