TERRA 2-PACK LANDSCAPE SPOTLIGHTS

Add drama and exterior lighting ambiance to your pool oasis with these Smart Colored Landscape Spotlights powered by NeuTerra Technologies. This 2-pack of landscape lights can be controlled with our free app, allowing you to sync with the complete ecosystem of smart lights and create endless colors and programmable shows that sync to the music from any nearby Bluetooth speaker.

The Terra 2-Pack Landscape Spotlights make it easy to install and customize your pool exterior lighting. The kit includes 2 RGB Landscape Spotlights with cables and connectors (power supply not included). The cable and connectors can be buried for a flawless finished look.

These "smart" spotlights are the perfect add-on option for the Gemini Plug & Play Starter Light Kit (Model No. GEM-ABGRSK), which includes a power supply, two 10 ft cords and a 4 pack of Smart Rail Lights with connectors.
