### CAUTION:

Some vinyl liners are more susceptible to surface wear and pattern removal than others, caused by objects such as brushes, toys, floats, chlorine dispensers, and automatic pool cleaners coming into contact with the vinyl surface. Such patterns can be easily scratched or abraded merely by rubbing the surface with a brush. Pattern ink can also rub off when they come into contact with objects in the pool. CaliMar® is not responsible for, nor does this limited warranty cover pattern removal, abrasion, and markings on or damage to any kind of vinyl liner.
